

COFFEE STATION

Sheer pleasure from efficient handling. Everything is within easy reach, clean and hygienic, and systematically structured - this coffee station offers premium processing quality, with many details to make your work easier.

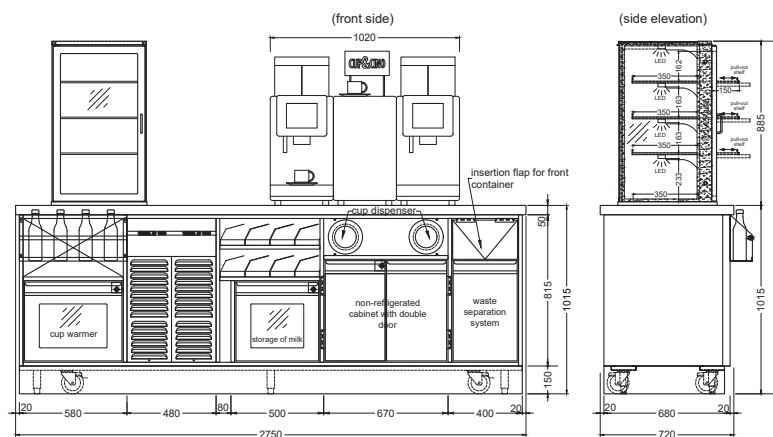

Highlights

- Efficient workflow: combinations of refrigerated and non-refrigerated elements as well as countertops customised to your needs
- Special beverage counter system: wide variety of standard solutions for individual set-up options
- Everything from a single source: combination with refrigerated and heated display cases as well as refrigerated wells from IDEAL AKE
- Integrated cup warmer and refrigerated milk supply
- Integrated crush well for quick access to ingredients
- Worktop with integrated waste slot and waste drawer below for efficient and clean working
- Open storage compartment for paper, glasses or dry goods in GN trays

Accessories and custom options

- RAL powder coating
- Glazing on fronts of doors and drawers including LED lighting
- Door and drawer elements can be locked
- Special designs, e.g. decorative frames, prepared for wooden fronts, etc.
