

DELICIOUS SUSHI

Delicious Sushi combines modern refrigeration technology and elegant design. This self-service display case has been specially designed and tested for sensitive foodstuffs such as sushi. The stepped design of Delicious Sushi offers your customers a perfect view of all the products you offer.

Highlights

- Careful cooling: reliable cooling for long-lasting, guaranteed quality of sensitive, packaged food (3M1)
- Perfect view: stepped presentation levels and high-transparency insulation glass with extensive standard features and many available extras (powder coating, bumper rail, etc.)
- Propane model R290 with automatic condensate evaporation
- Continuous LED lighting with natural colour reproduction
- Easy cleaning and optimal hygiene due to fold-up evaporator and easily removable glass panels
- Mirror effect: rear wall made of high-gloss polished stainless steel for visual multiplication of products
- Optimised presentation of products on 3 levels including price tag holders
