

# MAKE ART 160 COOL STONE

The Make Art Cool Stone is a compact all-in-one solution to safely store and process sensitive food such as raw fish and meat directly in front of the customers. Thanks to a refrigerated cutting surface, the cold chain remains uninterrupted, even during preparation.

## Highlights

- Safe processing of products that need to be kept cool such as raw fish, raw meat, on a fully refrigerated cutting surface made of stone
- Integrated, refrigerated ingredient well for GN 1/4 trays for quick access to prepared ingredients and optimised workflows
- Refrigerated storage in the base for keeping and storing food and ingredients
- Washbasin for food cleaning (e.g. fish)
- Almost any arrangement of GN 1/1, GN 2/1 and baking standard elements is feasible

## Accessories and custom options

- RAL powder coating
- Non-refrigerated supports for GN trays in the base

## Dimensions

## Technical data

Item	Item no.	Dimensions (W x D x H)	Connection	Refrigerant
MAKE ART 160 COOL STONE	80085682	1600 x 800 x 1360 mm	390 Watt – 230V/50Hz	R290 (propane)

## Temperature range

### Refrigerated base

Air  
+ 2 °C

Product  
-2 °C to +5 °C

### Refrigerated well

Air  
+ 5 °C

Product  
-2 °C to +12 °C
