

MAKE ART 160 SNACK

The Make Art 160 Snack with refrigerated base is perfectly designed for preparing sandwiches and snacks. The crumb tray enables clean working - together with the refrigerated base and refrigerated ingredient section, this is the ideal solution for efficient concepts in confined spaces

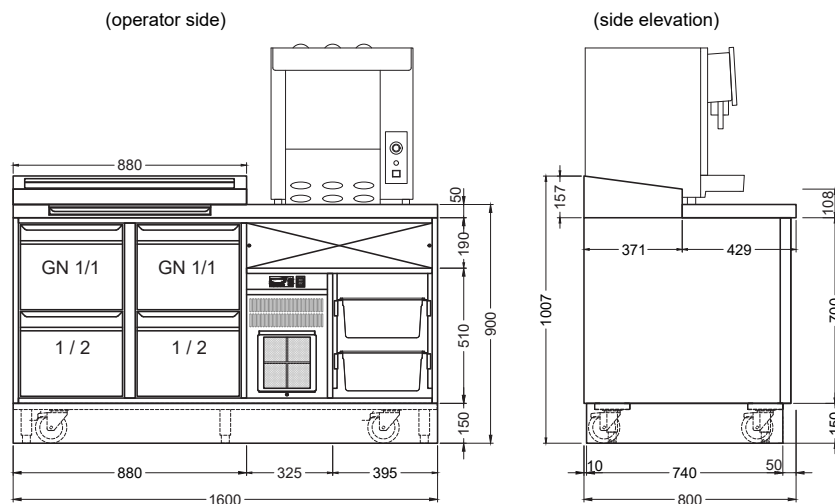

Highlights

- Perfect refrigeration of products, in both the base and the top section, thanks to the optimal airflow
- Refrigerated storage in the base for keeping and storing food and ingredients
- Drawers with fully extendable runners for optimal handling
- Stable drawer fronts are pleasant to the touch
- Inserted BK grate with pull-out crumb tray below
- Almost any arrangement of GN 1/1, GN 2/1 and Backnorm elements is feasible

Accessories and custom options

- RAL powder coating
- Knife holder
- Non-refrigerated supports for GN trays in the base
