

# COOL, HOT, NEUTRAL

To perfectly display round-the-clock concepts, many projects nowadays need refrigerated, heated and un-refrigerated units, all in as little space as possible. Our combined display cases were designed to meet these requirements.

## Highlights

- All-in-one solution consisting of Cool Bottle, heated and neutral display cases
- Perfect self-service solution with comprehensive presentation options
- Soft-close removal flaps for easy product removal
- Combined units can be refilled from the back (drawer and doors)
- Heated display case with LED lighting, primary heat and supporting heat

### Temperature range

**Heated display case**  
> +65 °C

### Temperature range

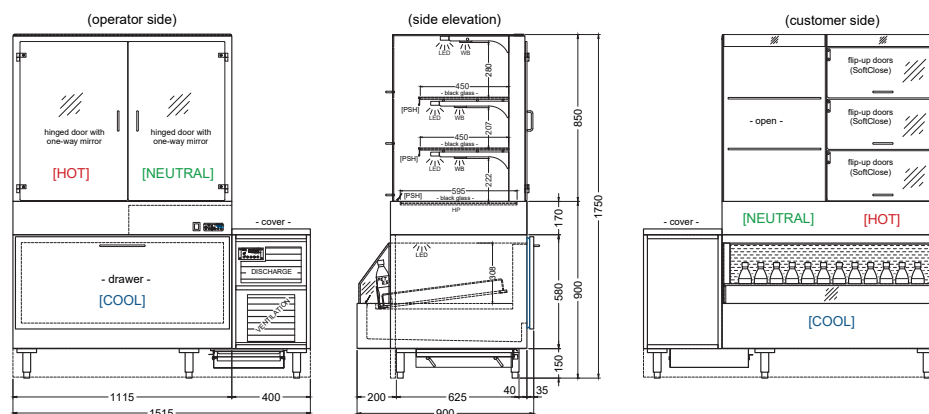

**Cool Bottle**  
3M2 -1 °C to +7 °C

## Accessories and custom options

- RAL powder coating
- Dimensions on customer request

## Dimensions

## Technical data
