

# TAKE AWAY BASIC

The perfect display case for impulse purchases. The heated display case with climate function presents hot dishes and snacks so they are easy to reach. Integrated Easy Change System for open and closed operation as well as for optimising off-peak periods. Cooled beverages are offered in the bottle cooler in the base.

## Highlights

- Small-space concept for hot dishes and chilled beverages in confined spaces
- Refrigerated base with bottle slider system, variable modular frame to fit different bottle sizes
- Heated display case with 3 heat sources: humid heat, infrared supporting heat and primary heat - adjustable via pictogram control panel
- Easy Change: can be used as service or self-service display case with insertable front glass
- Easy Clean: optimised cleaning and perfect hygiene due to clever product-specific features
- Visual and acoustic signals when water required and easy refilling of water tray without having to remove products
- Operator side with removable hinged doors made of one-way mirror glass
- Operator-side drawer can be fully pulled out for easy and straightforward refilling

## Temperature range

**Air**  
+5 °C

**Hot product**  
> +65 °C

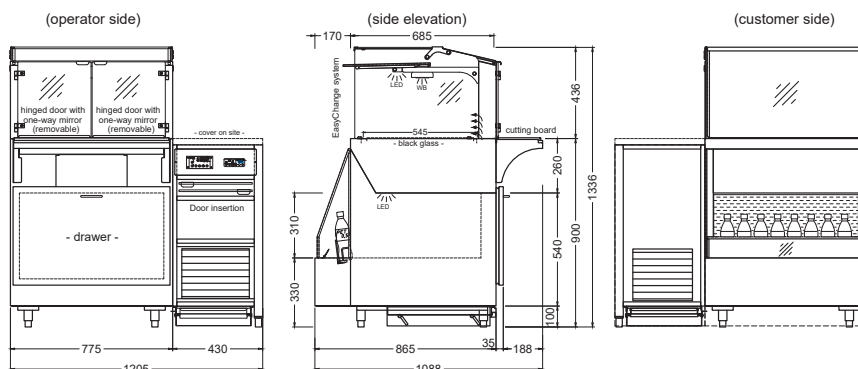

**Cold product**  
M2: -1 °C to +7 °C

**Room**  
+25°C and  
60% rel. LF

## Accessories and custom options

- Light glass enclosure: maximum product transparency and optimal handling on both customer and operator sides
- Slot-in support for removable hinged doors
- RAL powder coating
