

# CALEO AIR TOWER

IDEAL AKE has developed a modular concept for flexible and safe product presentation. A wide variety of frames, glass enclosures and accessories are available to perfectly adapt the refrigerated well with convection cooling to different requirements. Optimised airflow enables M1 temperature range

## Highlights

- Grab & go: open front for quick and east removal
- Ideal temperature range on both levels for all types of food (temperature class M1)
- Fully automatic condensate evaporation
- Unit with environmentally friendly refrigerant (propane R290)
- Design adapted to Caleo contours (end element)
- Flexible application options by combining with Caleo, installing against a wall or stand-alone, etc.
- With castors for convenient positioning

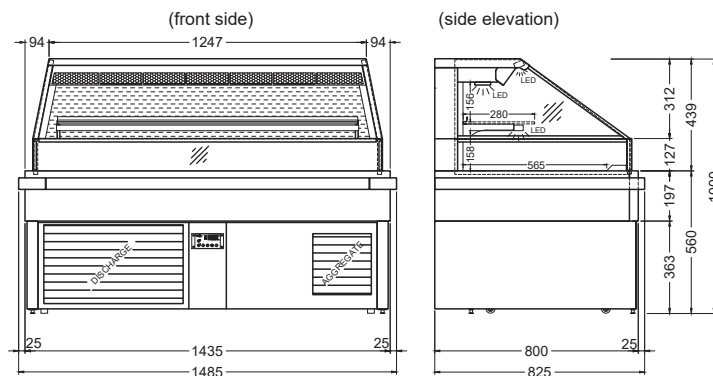

## Temperature range

## Accessories and custom options

- RAL powder coating
- Stainless steel rail

## Dimensions

## Technical data

Item	Item no.	Dimensions (W x D x H)	Connection	Refrigerant
CALEO AIRTOWER 143-100-E	S0412592	1485 x 825 x 1000 mm	836 Watt – 230V/50Hz	propane (R290)
